Cards and Accounts

This Privacy Policy is only applicable to Cards and/or Accounts ("Card") issued by Edenred PayTech. The Terms and Conditions relating to your Cards and/or Accounts will clearly state whether your Cards and/or Accounts are regulated as E-Money or payment services. If you are not sure, please do ask for clarification by contacting dpo@prepaysolutions.com.

Edenred PayTech is the Data Controller in relation to your Cards and/or Accounts and all necessary activities relating to the operation of the Cards and/or Accounts: allowing you to receive, activate and use your Card (activating, managing and using your online account where applicable, making and receiving payment transactions, meeting legal requirements, answering requests, providing information to you). You may be the Customer, or you may be a person that has been provided with Cards and/or Accounts by the Customer.

Programme Managers and Card Distributors

If you provide any personal information to the Programme Manager or Card Distributor (i.e. the business that provided your Card) relevant to your Card, the Programme Manager and Card Distributor are each a separate Data Controller for their own activities and you can view their Privacy Policy on their website. They also act as Data Processors on our behalf in relation to the Card. If you are not sure, please do ask for clarification by contacting dpo@prepaysolutions.com

Retail Gift cards and other Cards which are not regulated as E-Money

If you have a product such as a gift card where Edenred PayTech is acting as a Data Processor and the product is not regulated as E-Money, please go to the website of the party that has issued the relevant gift card and details of how your personal data will be processed will be set out in this party's own privacy policy. If you are not sure, please do ask for clarification by contacting dpo@prepaysolutions.com

The purposes and legal basis for processing your personal information

Processing is necessary for the performance of your contract with Edenred PayTech and for the issue and operation of Cards and/or Accounts and is necessary for compliance with legal obligations applicable to Edenred PayTech such as financial crime prevention. Edenred PayTech may share your information with third parties including Mastercard, Programme Managers and Card Distributors as necessary for the performance of your contract with Edenred PayTech.

Financial crime prevention

Edenred PayTech will use your personal information to help decide if your accounts may be being used for fraud or money-laundering. We may detect that an account is being used in ways that fraudsters work, or we may notice that an account is being used in a way that is unusual. If we think there is a risk of fraud, we may stop activity on the accounts or refuse access to them.

We might also check and share your information with law enforcement and fraud prevention agencies, judicial bodies, government entities, tax authorities or regulatory bodies. If fraud is identified or suspected, these agencies may keep a record of that information and we may refuse to provide any services.
